Our guest speaker this year will be Dianne Gould (nee Bennett) who attended our school from 1957 to 1959. She was an avid sportswoman, particularly excelling in Netball, representing at both School and State level. Di attended Newcastle Business College and then worked for Jantzen swimwear. In 1965, Dianne left Australia for the UK where she worked for the Australian Trade Commission, promoting Australian products, whilst intermittently travelling widely in Europe and the USA. When she returned to Australia in 1968, she joined the NSW Police Force and had a particularly interesting time, being responsible for industrial changes that greatly enhanced conditions for women in Policing. Di married a Policeman and together they have two sons. Dianne left the Police Force in 1976 and currently works part time with the Corrective Services Department, an occupation with as many interesting stories as her time in Policing.

The cost of our luncheon is \$45. Annual membership is now due. If you are not a life member, please include your \$5 annual membership in your payment. Please send your cheque and booking sheet by August 6, and you will be sent your receipt and ticket by return mail or I will email you with your ticket number.
