

# “From Central to Hunter Ex-Students’ Association”

Over  
the  
past  
**twenty two**  
**years**  
we  
have

- provided speech day prizes for Newcastle High School and the Hunter School of the Performing Arts. The money for these prizes is derived from book sales and the interest on life memberships but we will now need to subsidise these coffers as interest rates continue to plummet
- held twenty two very successful annual functions
- held informal morning teas every two months with our December morning tea becoming our Christmas luncheon
- had various cups refurbished with the money donated for that purpose
- Gained 2 more life members, but sadly lost 3, giving a total membership of 552
